BIO THINNER

DESCRIPTION: Bio Thinner is a solvent, a diluting agent and cleaner for oil-based Bio Products. It is a substitute for mineral turpentine. Bio Thinner is free of aromatic hydrocarbons such as toluene, benzene, xylene, ketones, ester and glycol derivatives. It has a pleasant lemon smell.

APPLICATION: Add to the paint or varnish in small amounts and mix well. Add more as required. Bio Thinner is also very good for cleaning paint brushes, removing paint spots and degreasing dirty surfaces. Do not use for water based and spirit based products.

INGREDIENTS: Lemon oil and paraffin oil

PACKAGING: 1, 4 and 20 Litres .

STORAGE: Keep cans tightly sealed in a cool and dry place

SAFETY DIRECTIONS: Avoid contact with eyes and skin and avoid breathing the vapour. Use only in well ventilated area. Keep out of reach of children and away from open flame. Please dispose of used rags in a sealed metal container. Can spontaneously combust

FIRST AID: If poisoning occurs, contact a doctor or Poison Information Centre. If swallowed do not induce vomiting. Give a glass of water. If skin contact occurs, wash skin thoroughly. If eye contact occurs, hold eyes open and flood with water for at least 15 minutes.

The preceding information is given as a general guide only. Some variations may occur or be advisable for particular conditions. Our responsibility for claims arising from breach of warranty, negligence or otherwise is limited to the purchase price of the material.

BIO THINNER is an environmental friendly product.
